**NOTICE OF REPRIMAND**  
**(By Consent)**

Case Nos. 25-3-JC; 25-4-GA

**Notice Issued: April 10, 2025**

Douglas S. Parker, P 58781, Detroit, Michigan

Reprimand - Effective April 10, 2025

Respondent and the Grievance Administrator filed a Stipulation for Consent Order of Reprimand, in accordance with MCR 9.115(F)(5), which was approved by the Attorney Grievance Commission and accepted by Tri-County Hearing Panel #5. The stipulation contained respondent's admission that, as set forth in the Notice of Filing of Judgment of Conviction, 25-3-JC, he was convicted by no contest plea on January 1, 2023,<sup>1</sup> of disorderly person, a misdemeanor ordinance violation, in *People of the City of Royal Oak v Parker*, 44th District Court in Oakland County, MI, Case File No. 22R-00519, and that this conviction constituted professional misconduct. The stipulation further contained the parties' agreement to dismiss the allegations in paragraphs 9 through 12 of the formal complaint.

Based on respondent's conviction and the parties' stipulation, the panel found that respondent committed professional misconduct when he engaged in conduct that violated a criminal law of a state or of the United States, an ordinance, or tribal law pursuant to MCR 2.615, in violation of MCR 9.104(5).

In accordance with the stipulation of the parties, the hearing panel ordered that respondent be reprimanded. Costs were assessed in the amount of \$852.96.

---

<sup>1</sup> The Notice of Filing of Judgment of Conviction erroneously states that respondent was convicted by no contest plea on January 1, 2023; the Judgment of Sentence actually shows that he was convicted by guilty plea on January 5, 2023.
